Game Group	Counts towards Wagering requirements
Slots Games	100%
Table Games	10%

Card Games	10%
Video Poker	10%
Other Games	10%

Regular Deposit Bonuses are not subject to any maximum withdrawal limit unless otherwise stated in the terms of a specific bonus. Maximum Withdrawal (Cash-out) Rules: Maximum withdrawal amount is determined solely by the amount of the deposit. e.g., if the Player deposits 100(\$ and uses a bonus with a 30x maximum withdrawal limit, then the maximum amount that may be withdrawn is 3,000(\$).

7.9 For the welcome package related bonuses, to withdraw your winnings you will have to wager a minimum of 40 times your deposit and the bonus amount. Maximum withdrawal limit for these bonuses is x20 the deposit amount, e.g., if the Player deposits 100(\$ and uses a bonus with a 20x maximum withdrawal limit, then the maximum amount that may be withdrawn is 2,000(\$).

7.10 You are only able to make a one-time withdrawal of any winnings earned using a free money bonus after the relevant wagering has been completed and up to a maximum of 10x the bonus amount (i.e., with a 20(\$ free money bonus, you will be able to withdraw a maximum of 200(\$)), following a successful deposit via your preferred available withdrawal method. If necessary, the amount of the withdrawal may be reduced accordingly.

7.15 Customers who have deposited by Skrill or Neteller to qualify for a bonus and have an average bet of over 10(\$ on slots, or 20(\$ on other games, all wagers will count 10% towards the wagering requirements (the tiered wagering structure per game will still be enforced on top of the above stated 10% contributions).

7.16 Free Cash backs are submitted to a Withdrawal limit condition: The coupon amount given, will be deducted once a withdrawal request is made, only after completing the wagering.

7.17 Match Deposit bonuses (Bonuses on top of Deposit) are submitted to a Withdrawal limit condition: The coupon amount given, will be deducted once a withdrawal request is made, only after completing the wagering.
